REMARKS

Claims 32 and 33 are rejected under 35 U.S.C. § 112, second paragraph, as being indefinite for the reasons noted in the official action. The rejection of claim 32 is addressed by the cancellation of that claim, without prejudice, from this application.

Claims 32 and 33 are then rejected, under 35 U.S.C. § 103, as being unpatentable in view of Deshler. The Applicant acknowledges and respectfully traverses the raised obviousness rejection in view of the above amendments and the following remarks.

As noted above, claim 32 is canceled from this application

The Applicant thanks the Examiner for indicating that claims 25-31 are allowed. As dependent claim 33 now depends directly from allowed claim 25, this dependent claim is also believed to be allowable as well. If any further amendment to this application is believed necessary to advance prosecution and place this case in allowable form, the Examiner is courteously solicited to contact the undersigned representative of the Applicant to discuss the same.

In view of the above cancellation of claim 32, the Applicant respectfully submits that further comments concerning the applied prior art of Deshler is not believed necessary. The Applicant also notes the remaining prior art cited in the official action. As none of that additional art is applied by the Examiner against the claims of this application, the Applicant is not providing any comments concerning that art as well.

In view of the foregoing, it is respectfully submitted that the raised rejection(s) should be withdrawn and this application is now placed in a condition for allowance. Action to that end, in the form of an early Notice of Allowance, is courteously solicited by the Applicant at this time.

The Applicant respectfully requests that any outstanding objection(s) or requirement(s), as to the form of this application, be held in abeyance until allowable subject matter is indicated for this case.

In the event that there are any fee deficiencies or additional fees are payable, please charge the same or credit any overpayment to our Deposit Account (Account No. 04-0213).

Respectfully submitted,
